

Erik Clevenger

Designer
Developer

Skills

Currently learning:

PHP, Javascript, TypeScript,
Angular4, Bootstrap, Sass, MySQL,
Jquery Unity3D React, React
Native, ToucDesiger, NodeJS

Proficient in:

Illustrator, Photoshop, After Effects,
InDesign, Lightroom, XD, Sketch,
InVision, Flinto, Figma, and Framer.

Interests

Moving forward I am looking to continue to explore the intersection between art and tech. In 2018 I will be focusing my personal efforts in areas that combine the two; Projects will include projection mapping, experimental interfaces beyond 2d screens, and using various sensors to allow audiences to interact with the final products.
